

Gray-Nicolls Gn 700 Batting Pads Ambi - Junior - Sj

Description:

Lightweight yet protective, these pads feature a traditional cane construction reinforced with high and low density foam to absorb impact and reduce vibration. The cotton-lined foam bolsters and padded top hat provide all-day comfort, while extra-wide adjustable straps and ankle foam ensure a secure, stable fit. With an ambidextrous design, they're ideal for both right and left-handed players. Protection: 3.5 | Lightness: 5 | Comfort: 4.5 Traditional cane with dual-density foam for impact absorption Padded top hat for added protection Cotton-lined bolsters for comfort and durability Extra-wide calf and ankle straps for a secure fit Ankle foam for improved stability Ambidextrous design for right or left-handed use
